

SPRING 2024 SUNDAY dSAT COURSE

New Digital Exam

Course Dates	Sundays: January 21–March 31
Time	1:30 PM – 4:30 PM
Location	Reid Hall, 4, rue de Chevreuse, 75006 Paris
Student Grades	Grades 10 (2 ^{de}) and 11 (1 ^{re})
Course Description	<p>The Digital SAT has arrived. Bespoke’s SAT course guides students through the new version of the test, which was launched internationally in March. At Bespoke, we are developing a multitude of resources so that students can walk in on Exam Day completely prepared. Small class sizes (limited to 12 students) ensure maximum individual attention.</p> <p>Our course introduces students to the test’s structure and content, including the most effective strategies to use. It also discusses test-taking practicalities, such as tech readiness, the Bluebook™ app, and device requirements. Students will gain experience by working through real, released SAT questions and Bespoke’s custom-developed materials.</p>
Mock Testing	<p>Note that mock tests are a required part of this course, and mock testing is especially important given the radical shift in testing format. Bespoke will be administering practice tests digitally, so that students gain experience with new exam conditions. As a result, they must show up to the mock with an exam-ready digital device (e.g., laptop or tablet; more details here). Two mock tests are included in the course fees. Mock tests are administered on Sunday at noon. SAT mock testing normally takes about 2.5 hours (including instructions and breaks). Students receive a score report after each test.</p>
