dSAT SATURDAYS — Saint-Germain-en-Laye

- Dates** October 5 (2024) to February 8 (2025)
- Time** 11 AM to 12:30 PM
- Location** La Maison des Associations Saint-Germainoises (MAS)
3 rue de la République
78100 Saint-Germain-en-Laye
- Grade** 11 (1^{ère})
- Description** Bespoke's Digital SAT course equips students to walk in on Exam Day feeling fully prepared. Our instructors lead students through the test's entire structure and content, including the most effective strategies to use for each question. Our course also addresses test-taking practicalities, such as tech readiness, the Bluebook™ app, and device requirements. Students will gain valuable experience by working through real, released SAT questions and Bespoke's custom-developed materials. As always, small class sizes ensure a maximum of individual attention.
- Mock Testing** Mock testing is essential to the preparation process and is thus a required part of this course (three mock tests are included in the course fees). Bespoke administers digital practice tests to give students experience with exam conditions. These testing sessions occur on Sunday mornings (in person or via Zoom) and normally last ~2.5 hours, including instructions and breaks. Students must show up with an exam-ready digital device (e.g., laptop or tablet; more details [here](#)). Families receive a detailed score report after each mock test.
