

2025 SUMMER SAT INTENSIVE COURSE Digital SAT Exam

Course Dates July 21–25, 2025

Time 10:00 AM – 1:30 PM

Location Reid Hall

Student Grades Grades 10 and 11

Course Description Bespoke’s Digital SAT course equips students to walk in on Exam Day feeling confident and fully prepared. Our instructors lead students through the test’s entire structure and content, including the most effective strategies to use for each question. Our course also addresses test-taking practicalities, such as the Bluebook™ app and making optimal use of Desmos, the built-in calculator. Students will gain valuable experience by working through real, released SAT questions and Bespoke’s custom-developed materials in class and as homework. Small class sizes ensure a maximum of individual attention.

Mock Testing Note that mock tests are a required part of this course and have become especially important given the radical shift in testing format. Bespoke is administering practice tests digitally to give students experience with exam conditions. Thus, students must show up with an exam-ready digital device (e.g., [laptop or tablet](#)). Two mock tests are included in the course fees. Mock tests last around 2.5 hours (including instructions and breaks), and students receive a score report after each test. Please see our mock schedule here: <https://bespokeeducation.fr/en/mock-testing-2/>.
