

FALL 2025 SUNDAY COURSE

Digital SAT

Course Dates	Sundays: Oct 5–Dec 14, 2025
Time	1:30 to 4:30 PM
Location	Reid Hall, 4, rue de Chevreuse, 75006 Paris
Student Grades	Grades 10 (2 ^{de}) and 11 (1 ^{re})
Course Description	Bespoke's Digital SAT course equips students to walk in on Exam Day feeling fully prepared. Our instructors lead students through the test's entire structure and content, including the most effective strategies to use for each question. Our course also addresses test-taking practicalities, such as tech readiness, the Bluebook™ app, and device requirements. Students will gain valuable experience by working through real, released SAT questions and Bespoke's custom-developed materials. As always, small class sizes ensure a maximum of individual attention.
Mock Testing	<p>Note that mock tests are a required part of this course and have become especially important given the radical shift in testing format. Bespoke is administering practice tests digitally to give students experience with exam conditions. Thus, students must show up with an exam-ready digital device (e.g., laptop or tablet; more details here). Three mock tests are included in the course fees, and students receive a score report after each test. Please see our mock schedule here:</p> <p>https://bespokeeducation.fr/en/mock-testing-2/.</p>
